EDUCATION

University of Minnesota

Bachelor's of Science in Computer Science

Duluth, Minnesota

Aug 2019 – Dec 2022

Ridgewater College

Associate of Arts

Hutchinson, Minnesota

Aug 2017 – May 2019

EXPERIENCE

St. Louis County MN

IT Applications Developer Associate

Duluth, Minnesota

Feb 2023 – Present

- Developed a web application using ASP.NET MVC with C# and Javascript that streamlined yearly manufactured home assessments in St. Louis County, MN, automating data collection and tracking changes, which reduced manual effort by 60% and improved assessment accuracy.
- Built dozens of web applications to replace existing paper processes and outdated online forms to greatly increase security with encrypted SQL databases and expedite reviewal processes.
- **Probable Cause**
- **CORE Data**
- **Employee Support Reminders**
- **Work Status**
- **Mention REST APIs**
- **Mentor New Developers**
- **Snowplow Data API work**
- **Built** a web application to **digitize and streamline the probable cause holding process, integrating the DocuSign API to automate document signing, which eliminated paper printing, reduced processing time by 70%, and improved record accuracy.**
- **Developed** a mobile web app for police officers to **track individuals and their activities in real time, centralizing data on past incidents and interactions, which enhanced situational awareness, improved officer safety, and aided in proactive policing across the city.**
-

St. Louis County MN

IT Applications Developer Intern

Duluth, Minnesota

May 2022 – Aug 2022

- **Designed and implemented** a web application as an intern to **streamline the tracking of new, terminated, and transferring county employees, automating task reminders for supervisors, which improved workflow efficiency and reduced oversight in the onboarding and offboarding process.**
