SUMMARY

Results-driven Software Engineer with hands-on experience building **secure** and **scalable** ASP.NET MVC web applications using **C#, SQL Server**, and **Entity Framework**. Skilled in **REST API development**, **performance optimization**, and **test-driven development (TDD)**. Proven collaborator across **DevOps pipelines** and **Agile teams** with a focus on delivering **user-centered** business solutions.

SKILLS

Languages: C#, JavaScript, SQL, Python, HTML/CSS, Java, C++

Frameworks: .NET, jQuery, Entity Framework, Bootstrap

Tools: Azure DevOps, Git, TFS, Visual Studio

Platforms: Windows, Linux, MacOS

EXPERIENCE

St. Louis County MN – Software Engineer (IT Applications Developer)

Feb 2023 – Present

- Develop and maintain **ASP.NET MVC applications** using **C#, Entity Framework**, and **SQL Server** with a focus on **clean code**, **scalability**, and **security**.
- Architect and consume **RESTful APIs** and integrate **third-party services** to support internal operations and external-facing features.
- Apply **test-driven development** practices using **MSTest** and build robust **unit** and **integration test** suites.
- Collaborate with **cross-functional teams** including operations, QA, and business analysts to refine requirements and deliver demos.
- Perform regular **code reviews** and **pair programming** sessions, improving team code quality and sharing knowledge.
- Optimized SQL queries supporting a database with **millions of records**, improving report generation times from **several minutes to under 5 seconds**.
- **Mentor and onboard** new developers, streamlining their integration and productivity.

St. Louis County MN – Software Engineer Intern (IT Applications Developer Intern)

May 2022 – Aug 2022

- Designed and built a custom **ASP.NET MVC web application** to manage **employee lifecycle events**, using **Entity Framework** and **SQL Server**.
- Integrated **RESTful email API** to automate task reminders, improving **HR operational efficiency** across hundreds of annual personnel transitions.

EDUCATION

University of Minnesota – Duluth, Minnesota

Bachelor of Science in Computer Science

Aug 2019 – Dec 2022

Ridgewater College (PSEO Program) – Hutchinson, Minnesota

Associate of Arts

Aug 2017 – May 2019
